#### Daylight Safari ensures that you can enjoy all that Kenya has to offer in comfort

"Together with three friends, we travelled through Kenya under the guidance of Daylight Safari and I couldn't think of any better way to travel around the beautiful country! Elvis and his team made sure we enjoyed the amazing safaris in Masai Mara, Amboseli, Naivasha,. Our driver and guide Mr Walker was incredibly caring and incidentally was able to teach us a lot about nature."

#### Best local tour guide!

"We visited Kenya during the 2017-2018 Christmas holiday. My sister was living good friend of hers. We travelled with a big group of 12 people, all family. It was not an easy task to please everybody as we all had different opinions and interests. Elvis listened to all of us and tried his very best. The trip was so amazing thanks to him and the drivers. We became real friends during these two weeks and we still keep in touch."

#### Professional and Organized

"I booked a 7-day trip to Kenya and it was my dream trip. I decided to go with Daylight Adventures & Safaris and they just made my dream trip epic! Very professional, organized, updated, fast, and nice. They took care of me from the pick-up moment till the drop-off. I just told them what I wanted and wished to see and visit and they arranged everything even though I changed my plan MANY times. Misaro just did it so patiently and with love. I also want to thank Mr. Dan, the best guide ever, because of him I was able to see, get close, and capture the best shots. It wasn't just by luck, it was Mr. Dan's sense and experience. It was the best decision and I'm glad I booked with them and will definitely do it again."

#### Took great care of our group of 9!

"They took care of all the details. We had great drivers named Edwin and Daniel. They were really knowledgeable and definitely kept our safety in mind. We had so many amazing wildlife sightings! On our last day, we wanted to change plans last minute and Misaro made it happen. She was also very dedicated to getting us into stay at the Giraffe Manor which was the highlight of the trip!"

### 7. Giedrius (Lithuania)

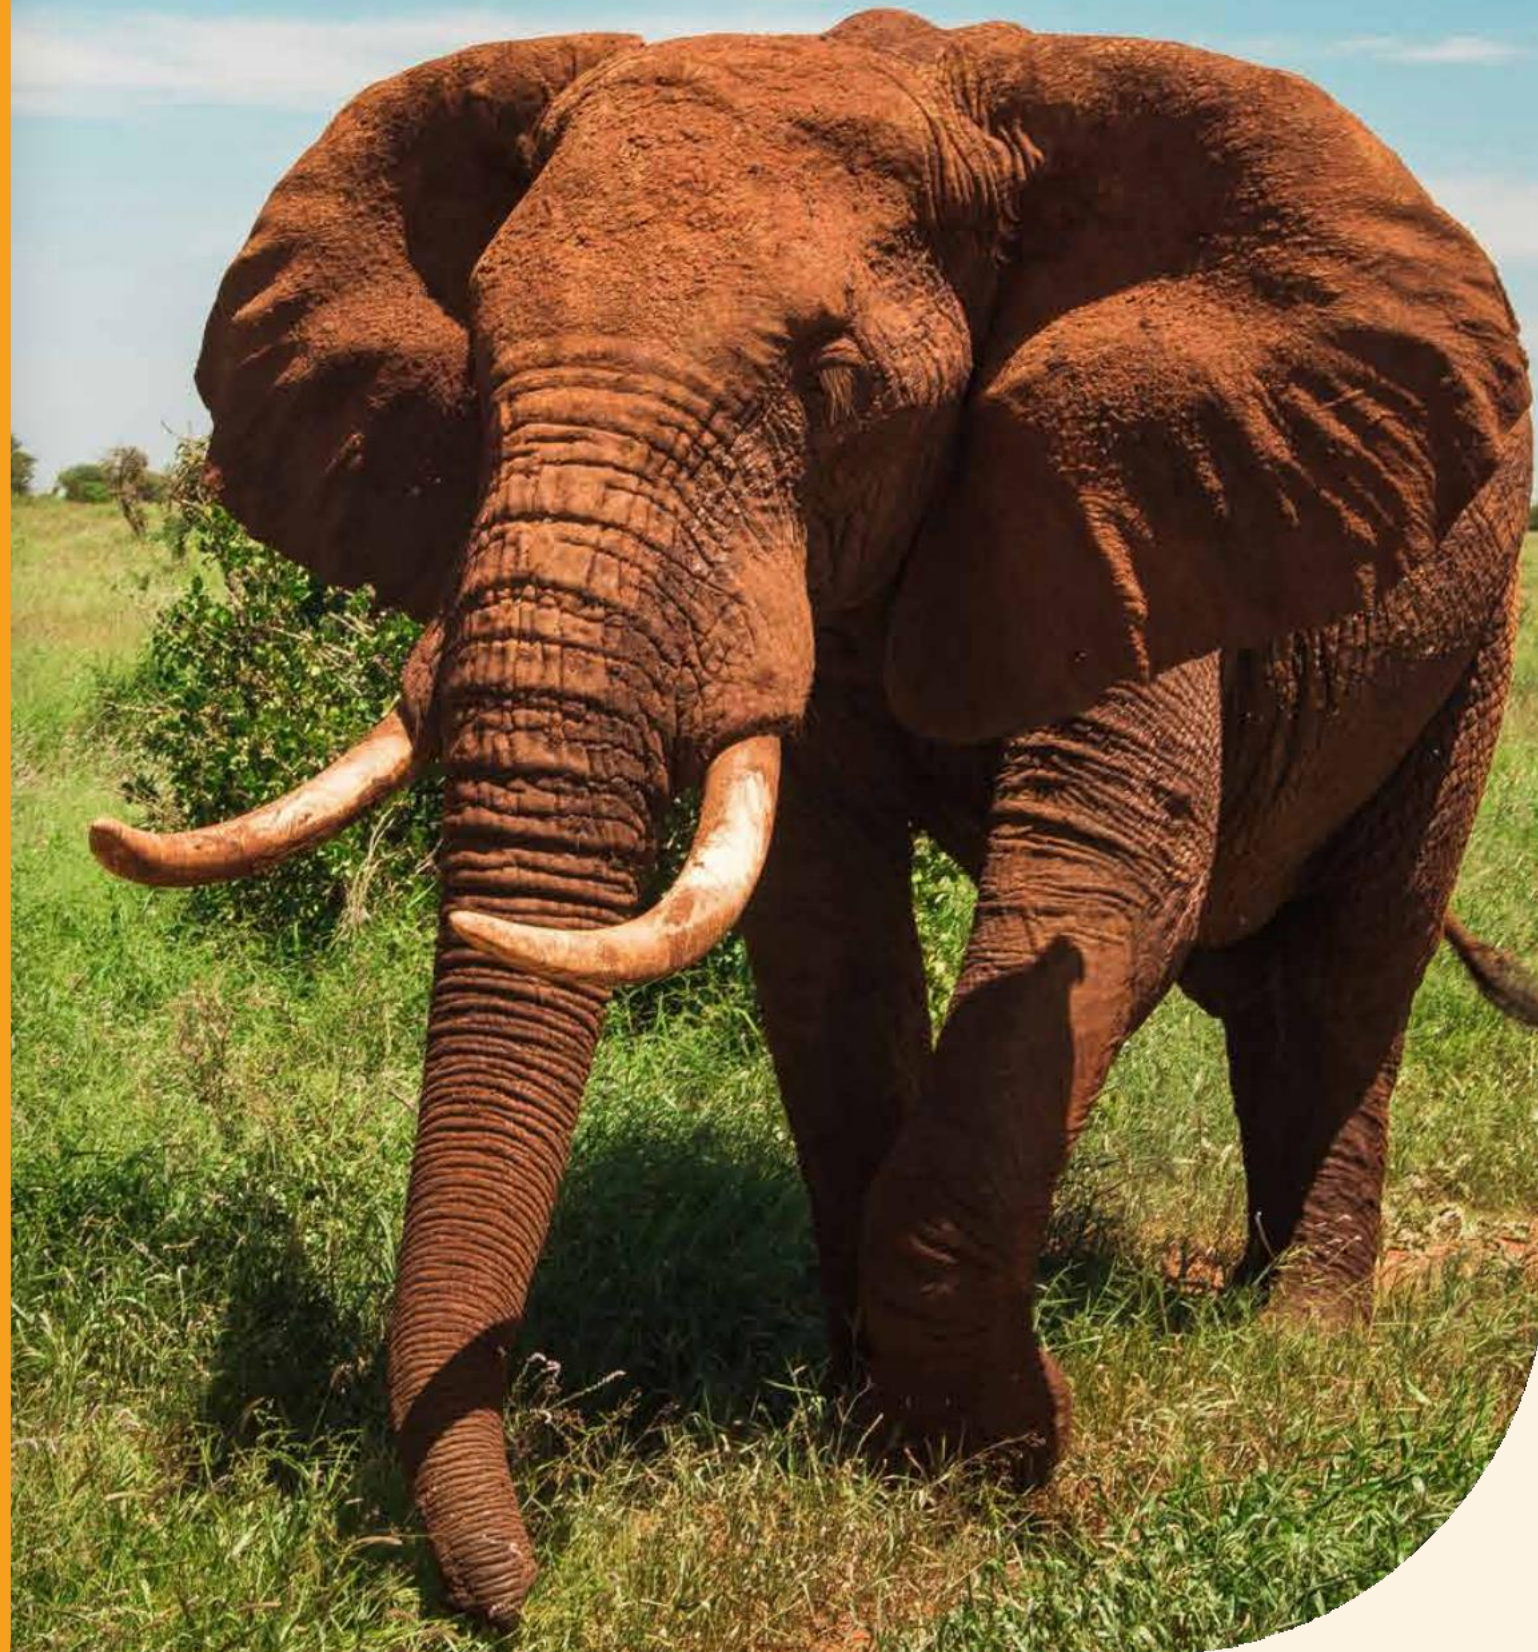

#### Everything was organized better than expected

"The Daylight team was very friendly, organized everything (transferred from hotel in Watamu, booked a local flight to Nairobi and back to the hotel). In Nairobi, they met us with gifts :) The driver also was very friendly - did everything he could for us to see all possible animals. Super service - recommend the Daylight team to everyone who asks. Perfect safari."

## CUSTOMER TESTIMONIALS

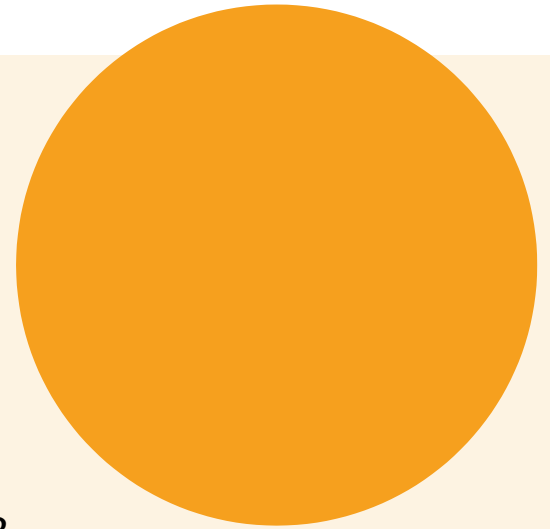

### 1. Steven Schmidt Legacy of Healing

**Outstanding, diligent, attention to detail, very personalized**  
**Review on Safari booking and Google Business profile:**

"We contacted several travel operators before deciding on Daylight Adventures & Safaris. We had unique travel plans because we wanted to have a couple of days of sightseeing before a weeklong surgical mission trip. Daylight coordinated all our travel. They arranged our ground transport with sightseeing on the way to our hospital destination. They arranged walking tours, game drives, and boat tours at Lake Naivasha and Lake Nakuru. Following our surgical mission, they transported us to the airport for our flights to Nairobi. We had a wonderful experience at Amboseli.

The diligent efforts of Misaro allowed us to spend a night at the Giraffe Manor which was an unforgettable experience. With 20 years of mission trips and excursions on 4 continents, I don't think any of our prior encounters compared to this experience with Daylight Adventures & Safaris. We will return to Kenya and we will definitely book with Daylight Adventures."
